

I Am Your Policy

You and I have similar purposes in this world.

It is your job to provide food, clothing, shelter, schooling, medicine and many other things for your loved ones. You do all of this while I am tucked safely away in a box.

I have faith and trust in you. Out of your hard earned income, will come the cost of my upkeep. At times, I may appear to be worthless to you - but some day (and who knows when) you and I will change places.

When you are laid to rest, I will come alive and begin my job. I will provide money to help with food, clothing, shelter, schooling, medicine and those other important things your family will continue to need - just as you are doing now. When your work is done, mine will begin. Through me, your hands will carry on.

Whenever you feel the price you are paying for my upkeep is burdensome, remember all that I can do for your family once you are gone.

If you do your part, I will do mine.

Sincerely yours,

Your AIG American General Life Insurance Policy
